They should check-in with you regularly during the first year to discuss your work, class schedule and overall adjustment to the program. You are not obligated to stay matched with this advisor and may ask the Graduate Program Coordinator or Director of the Graduate Program, to make another appointment if necessary. Please determine which faculty member you would like assigned to you and discuss your assignment with that faculty member in advance and obtain her/his approval BEFORE you make a request for change of advisor.

## HEALTH INSURANCE

Health Insurance begins when the quarter starts, 12:01am September 20 or the day of the student's orientation, if scheduled earlier (International/Graduate Division). *Please note the department has requested that health insurance be effective beginning September 6, 2021 for all incoming graduate students to accommodate early arrival for campus orientations.*

There are no forms to fill out to be covered. Premiums are automatically paid with your registration fees. If you have additional questions about health insurance or coverage under the University's plan, please go to: <http://studenthealth.ucsd.edu/>.

### **Health Fee Waiver:**

**<https://shwadmin.ucsd.edu/uc-ship/waive/index.html>**

The Health Fee Waiver application is available on-line via Tritonlink. **Waivers must be submitted by the waiver deadline (on or before 9/10/21).** Students must be enrolled in classes for Fall 2021 in order to access the waiver on-line. If a student is unable to access or complete the waiver application on-line, or if they will not be enrolled by the waiver deadline, it is the student's responsibility to contact the Student Health Insurance Office **before** the waiver deadline to discuss their situation on an individual basis. *A manual waiver form is available on an exception basis only, however the waiver deadline will still apply.* Upon submission of their

application, their waiver will be approved or selected for audit. An e-mail will be sent to the student's official UCSD e-mail account advising whether their application was approved or selected for audit.

Important note: If a waiver is **not** submitted during the first quarter for which a graduate student attends UCSD and is eligible to waive SHIP, the policy requires that coverage under SHIP remain in force for the remainder of the academic year and a new waiver may not be submitted until the next academic year.

**Fall 2021 Waiver deadline:**

Waiver deadline to avoid a \$50 late fee: September 10, 2021

Late waiver deadline, subject to a \$50 late fee: September 11-15, 2021

**Refer to the Student Health website at <http://studenthealth.ucsd.edu/> for more information regarding the services available at Student Health, SHIP and the Health Fee Waiver process. There are many FAQ's answered on the website.**
