Course Description

A survey of the major economic, political, and social forces that have shaped the contemporary world. The course will provide an introduction to theories of social change, as well as prepare the student for upper-division work in comparative-historical sociology. Will not receive credit for SOCI 20 and SOCL 20.

Academic Integrity

All papers will be submitted electronically via TurnItIn (TII), which will detect plagiarism, including self-plagiarism (meaning you already submitted that paper for another course) and failure to cite your sources, including page numbers. No other means of submission will be accepted/read. Your TII score should be under 20%. Scores between 30%-50% is an automatic D grade, anything above 50% is an automatic F. Write in your own words! Papers without citations or references will not receive higher than a C grade. Acts of academic dishonesty, from plagiarism, utilizing AI software like ChatGPT to cheating on exams, and signing the sign-in sheet for other students will receive an F grade and be reported to the Academic Integrity Office (AIO). Dishonesty in all forms undermine any institution's ability to certify students' knowledge and abilities. If you're unsure about your writing, you can utilize the writing resources on campus, or simply visit the instructor during office hours and share what you've written up to that point via the Share Screen function on Zoom. For more, visit the academic integrity office: <https://academicintegrity.ucsd.edu/>

Photo and Audio/Video Recording Policy

Taking pictures or audio/video recording/transcribing in class without the consent of *everyone* in the class violates the [UCSD Code of Conduct](#) 10.25 Privacy Policy: "Making a video recording, audio recording, taking photographs, or streaming audio/video of any person in a location where the person has a reasonable expectation of privacy, without that person's knowledge and express consent...of all recorded parties." That includes AI transcription—also prohibited!

Grading (all assignments submitted via Canvas)¹

Survey due third Monday of Quarter, 5pm	10%
4/5 quizzes via Respondus Lockdown Browser	20%
Writing two 400-500 word essays (submit to Turn It In)	40%
Participation	10%
<u>Final Exam Online (no fault)</u>	<u>20%</u>
Totals	100%
Mid-Quarter Evaluation via Canvas	2% (extra credit)
SET Evaluation	3% (extra credit)

Participation

Attendance is required. Please come to class on time. If you're late or can't attend for any reason, please be courteous and let me know in advance. It's difficult to teach when interrupted.

However, there are good interruptions to have, such as asking questions in response to the teaching content/reading. Please attend and participate in order to receive full credit. Do not sign in for other students—all students listed in the sign-in sheet with the same signature will be marked absent and reported to the Academic Integrity Office (AIO).

Late Work Policy

The Survey is the only non-extra credit assignment that *cannot* be submitted late. Quizzes will be held towards the end of class. You have six days to make up a missed quiz, which can be done in professor's office hours or in Triton Testing Center with account. The only excuses for missed quizzes are medical, family emergency, and proof of faulty internet connection that prevents your taking the quiz (please screen shot problem and send to instructor). Papers over one week late without valid excuse will not receive full credit.

Incomplete Policy

At the end of the quarter, if you need an Incomplete grade, only medical or other documented hardship will warrant it. That buys you ten more weeks to complete the missing assignment(s). If no work was submitted during the quarter, you will not be eligible.

Prompt Questions/Two Essays

For the writing assignment, respond to the prompt that is most relatable to you. You can personalize it, or you can relate it to current events. The first essay can respond to prompt questions from Weeks 1-5, the second essay between Weeks 6-10. The goal is to have written 400-500 words by the end of Week 5 and a *combined* 800-1000 words by the end of the quarter. Write in Times New Roman font size 12, double-spaced with 1" margins. The first paper is due the Saturday of Week 5, at 11:59pm. Second papers are due Friday of Week 10, at 11:59pm.

Writing Rules/Guidelines, aka "Checklist"

- Each Paper is 400-500 words (not including headings, titles, and works cited).
 - For the first paper, choose *among* prompt questions 1-5.

¹ The Gradebook on Canvas only calculates combined assignments submitted. Late assignments that receive a zero aren't automatically graded, and are often late. To better calculate your current grade, add the points you received from completed assignments and divide them by the amount of points the assignments were worth—use this grading scale as your guide.

- For the second paper, choose *among* questions 6-10.
- You can choose up to two questions to answer for each paper, so long as you reach the word count of 400-500 words (words in titles and works cited not included).
 - For a solo prompt, cite at least two course-assigned sources
 - For two prompts, cite at least three course-assigned sources
 - The strength of the source will affect your grade
 - More intense reads will weigh more heavily than the lightest reads
- Write prompt question that you're responding to *as your title*
 - Papers that don't follow this rule automatically lose 10% of points
 - Your thesis is your response to the question
- Cite facts and figures whenever you enter them in the text
 - Citation Format: (author last name year: page number(s))
- Write in your own words
 - Quotes should be no more than one sentence
- List all sources you cited in your Works Cited
 - Have at least two in-class reading sources if you only respond to one prompt, otherwise have at least three in-class reading sources for the entire paper. If you want, you can also add scholarly sources that are not on the syllabus on top of the quota for in-class reading sources.
 - **Reference readings, not lectures.** Prove that you read!
 - **Works Cited formats:**
 - Article format: Author last name, first name. Year. "Article Title." *Journal Title* Volume.Number: page range of entire article
 - Example: Calderón-Zaks, Michael. 2022. "Technological Change before Globalization: Race and Declining Employment for Mexicans on Railroads, 1945-1970." *Journal of World-Systems Research* 28.1(Winter/Spring): 77-97.
 - Book format: Author last name, first name. Year. *Title*. Publisher home location: publisher.
 - Example: Ngai, Mae. 2003. *Impossible Subjects: Illegal Aliens and the Making of Modern America*. Princeton, NJ: Princeton University Press.
 - Anthology Chapter *must be complete*. Format: Author last name, first name. Year. "Chapter title." Ed(s). Name(s). *Anthology title*. Publisher.
 - Example: Calderon-Zaks, Michael. 2021. "The First Wave of Mexican Migration to the US: Rail Construction and Maintenance's Contribution to World System Development, 1890-1929." Eds. Denis O'Hearn and Paul Ciccantell. *Migration, Racism and Labor Exploitation in the World-System*. Routledge.
- Your TurnItIn score should be under 20%. Scores between 30%-50% is an automatic D grade, anything above 50% is an automatic F
- If AI is detected via GPTZero, you will receive an F
- If all of the above criteria are met and you make sound arguments, you can get the full points
